SUMMARY

Front-end web developer with a bachelors in computer-science and minor in sociology. Trained at Rutgers coding boot camp and earned a certificate in full-stack web development to further my skills in coding. Innovative problem-solver passionate about developing apps; focused on mobile-first design and development. Strengths in creativity, teamwork, and building projects from ideation to execution.

TECHNICAL SKILLS

- HTML / CSS / JS
- MERN Stack
- SQL / NoSQL

PROJECTS

Trip Buddy

Github: <https://github.com/Sergrojas29/Trip-Buddy>

Deployed Application: <https://immense-spire-99968-3fc73b4aa81c.herokuapp.com/>

- Trip Buddy is designed for active travelers who want to enhance their travel experiences by easily discovering exciting activities and destinations during their journeys around the country and the world.
- My responsibilities involved creating the front-end of the website and making it mobile-friendly
- Technologies we used: Apollo Client, React, Material UI, GraphQL, Vite, Lint, BCrypt, Express, Mongoose, JSONWebToken

Nutrition Tracker

Github: <https://github.com/Sergrojas29/GroupProject1>

Deployed Application: <https://sergrojas29.github.io/GroupProject1/>

- Nutrition Tracker is designed for users who want to be mindful of what they are eating and this app allows them to track caloric intake by inputting their meals.
- My responsibilities for this project entailed creating the code to that saves the inputted data into local storage and displays it
- Technologies we used: HTML, CSS, JS

EDUCATION

Fullstack Web Development Certificate: Rutgers University, NJ

Graduation: 10/23

A 24 week intensive program focused on gaining skills in full stack coding.

Bachelor's Degree in Science: St. John's University, NY

2015 - 2019

Major: Computer Science Minor: Sociology
