Summary

Front-end web developer with a bachelors in computer-science and minor in sociology. Trained at Rutgers coding boot camp and earned a certificate in full-stack web development to further my skills in coding. Innovative problem-solver passionate about developing apps; focused on mobile-first design and development. Strengths in creativity, teamwork, and building projects from ideation to execution.

Technical Skills

- HTML / CSS / JS
- MERN
- SQL / NoSQL

Projects

Trip Buddy
Github: **https://github.com/Sergrojas29/Trip-Buddy**
App: **https://immense-spire-99968-3fc73b4aa81c.herokuapp.com/**

- Trip Buddy is designed for active travelers who want to enhance their travel experiences by easily discovering exciting activities and destinations during their journeys around the country and the world.
- My responsibilities was creating the front-end of the website
- Technologies we used: Apollo Client, React, Material UI, Graph QL, Vite, Lint, BCrypt, Express, Mongoose, JSONWebToken

Nutrition Tracker
Github: **https://github.com/Sergrojas29/GroupProject1**
App: **https://sergrojas29.github.io/Nutrition-Tracker/**

- Nutrition Tracker is designed for users who want to be mindful of what they are eating and this app allows them to track caloric intake by inputing their meals.

- My responsibilities for this project was creating the code to that saves the inputed data into local storage and displays it
- Technologies we used: HTML, CSS, JS

Experience

Tennis Instructor   2018 - present
City Parks Foundation
Staten Island, NY

Set a good example for children ages ranging from 6-17 years old on and off the court; provide a happy, friendly, and enjoyable atmosphere for the kids while keeping them safe at the same time; instruct up to 12-15 kids at a time on my own court with my own drills; responsible for escorting the entire team competing in tournaments to Central Park safely with the help of other tennis instructors

Site Director   2021 - present
City Parks Foundation
Staten Island, NY

Set a good example for tennis instructors and for children ages ranging from 6-17 years old on and off the court; managing three courts per site including tennis instructors as well as all the players, providing the tennis instructors with lesson plans and drills for every session, responsible for the children's and tennis instructor's safety, assembly teams to compete in tournaments played at Central Park, instructing 12-15 kids at a time on my own court with my drills.

Education

Full Stack Developer Certificate: Rutgers University, NJ
Graduation date: 10/23

A 24 week intensive program focused on gaining skills in full stack developing.

Bachelor's degree: St. John's University, NY
2015 - 2019

Major in Computer Science, Minor in Sociology
St. John's Excellence Scholarship
